mobile banking experience!*

FARM CREDIT OF FLORIDA

April 2023

How do I register?

- Farm Credit of Florida uses Okta for identity management. If you have previously used this service with us, you may already have a username and password.
- Click **Register** on the **Log in** page.
- Please note that your AccountAccess username and password are no longer valid.

You must have the following information to register:

- Social Security number or taxpayer ID number.
- Account number or loan number.

TIP: Your loan number can be found at the top of your closing documents. Your account number can be found at the top of your billing statement.

- Enter your loan number or account number and the last four digits of your Social Security number or taxpayer ID number.
- Click **Next**.

Tip: If you're referring to a billing statement, please enter the last portion of the account number or loan number located at the top of your statement.

If you're referring to a loan document, please enter the last portion of the number in the following format: 123456789 or 123456-123.

- On the next screen, enter your first name, last name and email address.
- Create your password and click **Next**.

NOTE: When setting up your security question, you can either choose from a predefined list or create your own question.

- You can set up additional security with Okta Verify or skip this step and set up at a later time, if desired.

Set up security methods

Borrower@gmail.com

These security methods help protect your account by ensuring only you have access.

Set up optional

 **Okta Verify**
Okta Verify is an authenticator app, installed on your phone, used to prove your identity

[Set up](#)

[Complete Registration](#)

- If you do want this additional security measure, download the **Okta Verify** app from **Google Play** or the **App Store** to your mobile device.
- Open the app and follow the instructions to add your account.
- Tap **Scan a QR Code**.
- Scan the QR code.

Set up Okta Verify

Borrower@gmail.com

1. On your mobile device, download the Okta Verify app from the App Store (iPhone and iPad) or Google Play (Android devices).
2. Open the app and follow the instructions to add your account
3. When prompted, tap Scan a QR code, then scan the QR code below:

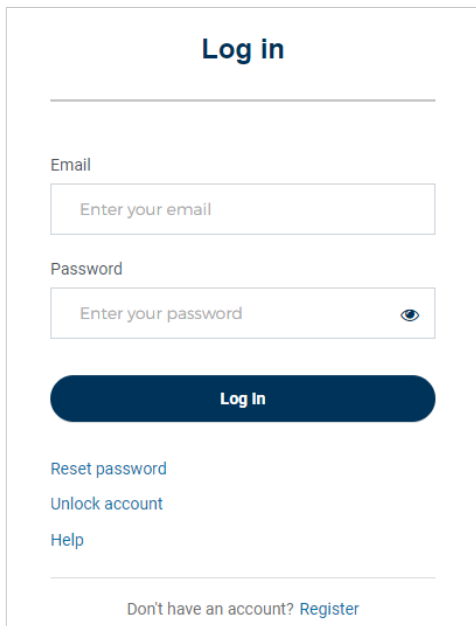

[Can't scan?](#)

- Follow the onscreen instructions to complete set up.

- After successfully verifying the last security method, the **Digital Banking Terms and Conditions** will appear.
- Click **Accept**.
- You should see your **Accounts Summary**.

How do I log in?

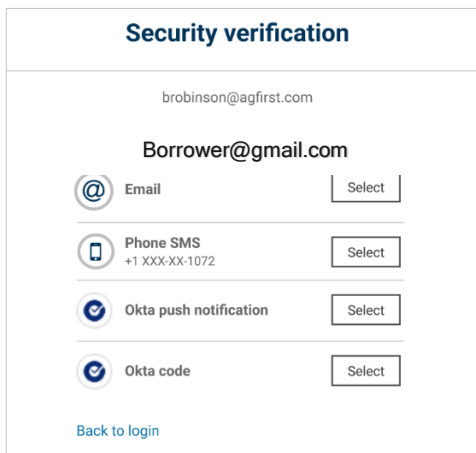

- Visit the Farm Credit of Florida website and click **Digital Banking**, which is located at the top right-hand corner of the site.
- Enter your email address and password.
- Click **Log In**.

The screenshot shows a login form with the following elements:

- Log in** title at the top.
- Email** label above a text input field containing the placeholder "Enter your email".
- Password** label above a text input field containing the placeholder "Enter your password" and a toggle icon (an eye).
- A dark blue **Log In** button.
- Links for [Reset password](#), [Unlock account](#), and [Help](#).
- A footer link: [Don't have an account? Register](#).

- Select one of the security verification methods.

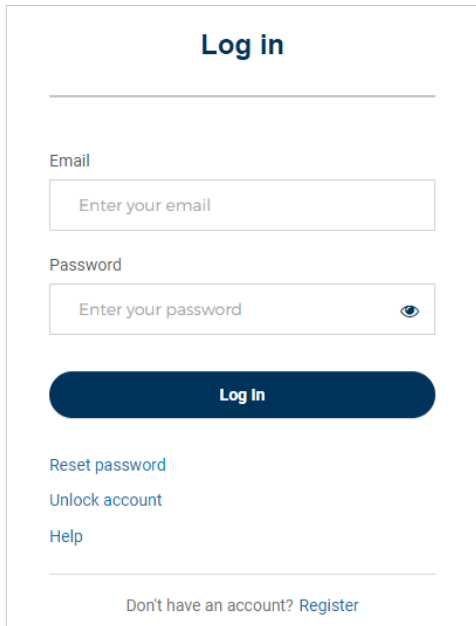

The screenshot shows a security verification page with the following elements:

- Security verification** title at the top.
- The email address `brobinson@agfirst.com` is displayed.
- The email address `Borrower@gmail.com` is displayed below the user's email.
- Four security methods are listed, each with a "Select" button:
 - Email** (with an @ icon)
 - Phone SMS** (with a phone icon and the number `+1 XXX-XX-1072`)
 - Okta push notification** (with a checkmark icon)
 - Okta code** (with a checkmark icon)
- A [Back to login](#) link at the bottom.

After successfully verifying, you should see your **Account Summary**.

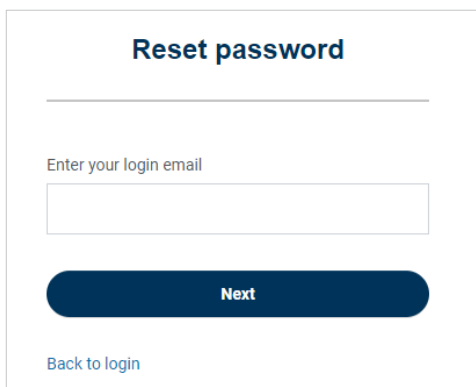

How do I reset my password?

- Visit the Farm Credit of Florida website and click **Digital Banking**, which is located at the top right-hand corner of the site.
- On the **Log In** page, select **Reset password**.

The screenshot shows the 'Log in' page. At the top, the text 'Log in' is centered. Below it is a horizontal line. There are two input fields: 'Email' with the placeholder 'Enter your email' and 'Password' with the placeholder 'Enter your password' and a visibility icon (an eye). Below the input fields is a dark blue button labeled 'Log In'. Underneath the button are three links: 'Reset password', 'Unlock account', and 'Help'. At the bottom, there is a horizontal line and the text 'Don't have an account? Register'.

- Enter your email address.
- Click **Next**.

The screenshot shows the 'Reset password' page. At the top, the text 'Reset password' is centered. Below it is a horizontal line. There is one input field with the placeholder 'Enter your login email'. Below the input field is a dark blue button labeled 'Next'. At the bottom, there is a link labeled 'Back to login'.

- Select one of the security verification methods.

Reset password

Borrower@gmail.com

Select a security method to verify it's you:

 **Email**

 **Okta push notification**
Okta Verify

 **Phone**

[Back to login](#)

- Please answer the **Security question** after verification.
- The **Reset password** screen will appear after the security question has been successfully answered.

- Create your new password.
- Click **Reset password**.
- You'll receive a confirmation email letting you know you've successfully reset your password.

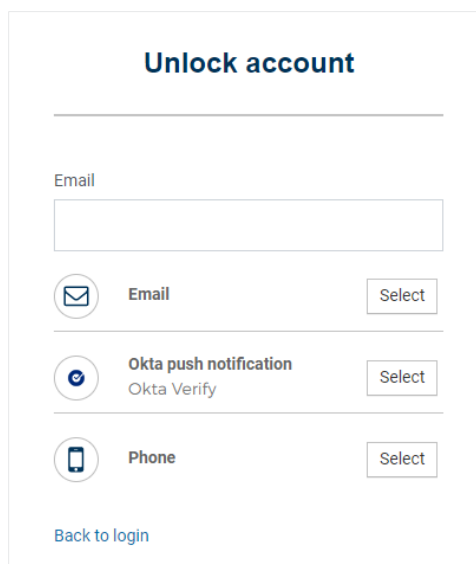

How do I unlock my account?

- Visit the Farm Credit of Florida website and click **Digital Banking**, which is located at the top right-hand corner of the site.
- Click **Unlock account** on the **Log in** page.

The screenshot shows the 'Log in' page. At the top, the title 'Log in' is centered. Below it is a horizontal line. There are two input fields: 'Email' with the placeholder text 'Enter your email' and 'Password' with the placeholder text 'Enter your password' and an eye icon for toggling visibility. A dark blue 'Log In' button is positioned below the password field. Underneath the button are three links: 'Reset password', 'Unlock account', and 'Help'. At the bottom, there is a link that says 'Don't have an account? Register'.

- Enter your email address.
- Select a security verification method.

The screenshot shows the 'Unlock account' page. At the top, the title 'Unlock account' is centered. Below it is a horizontal line. There is an 'Email' input field. Below the input field are three options for security verification: 'Email' with an envelope icon and a 'Select' button, 'Okta push notification' with a checkmark icon and the text 'Okta Verify' below it, and 'Phone' with a mobile phone icon and a 'Select' button. At the bottom left, there is a link that says 'Back to login'.

NOTE: Once security validation is complete, enter your password. You'll receive a confirmation email letting you know you've successfully unlocked your account.
